

WR

January 16, 1918.

Auk Bay Salmon Canning Co.,  
Maynard Building,  
Seattle, Wash.

Gentlemen:

Referring to your report of fishery operations at Auk Bay, Alaska, it is noted that you operated a cannery but employed no fishermen. This situation seems rather anomalous and a question is raised as to the probability of a statistical omission. Is the report correct as stated?

Very truly yours,

M. Smith.

Commissioner.
